
When allergy season has you in tears, **you've got Teladoc!**

Untreated allergies can turn into a sinus infection, making allergy season nothing to sneeze at. With Teladoc, you can speak with a U.S. board-certified doctor 24/7 by phone or video for many non-emergency illnesses, including allergies.

"When I used Teladoc, the doctor responded quickly, understood the symptoms and was knowledgeable about allergies. I really appreciated having this alternative care and will use it next time a concern arises. - Melissa B"
