Dear Member:

The SAMBA Dental and Vision Care Plan is a valuable supplement to your regular health insurance plan. Although we have been able to avoid increasing the premium for the last four years, escalating dental and vision care costs have increased to the point where the plan is now paying out more in benefits than it receives in premiums. Consequently, to keep plan benefits at the same high levels, we find it necessary to impose a modest increase in premiums at this time

Your enclosed billing for the quarter beginning April 1, 2002 includes the new premiums listed below.

<b>Dental and Vision Care Plan</b>		
<b>Coverage For</b>	<b>Current Quarterly Premium</b>	<b>Effective April 1, 2002 Quarterly Premium</b>

Member Plus One	\$162.50	<b>\$188.50</b>
Member Plus Family	\$195.00	<b>\$227.50</b>
Child (Age 22-27) who is also enrolled in the SAMBA <i>Dependent Children Health Benefit Plan</i>	\$117.00	<b>\$136.50</b>
Disabled child over age 22 covered under a Federal Health Benefits Plan (FEHB)	\$117.00	<b>\$136.50</b>
