Visit SAMBA at www.SambaPlans.com and check out these great benefits:

Our CIGNA Healthcare PPO Network – Our Health Plan members have access to an extensive nationwide PPO network that provides access to more than a million doctors, hospitals and other health care professionals. Your doctor probably participates in the CIGNA PPO network. Use our online Provider Directory to see if your doctor participates or call 1.800.564.7642.

Our Medco Prescription Drug Program – Provides retail and mail order prescription drug options. Use our web site to link to **Medco** and see how much you can save on your prescription drugs under our plan.

(over, please)

Our Dependent Children (ages 22-27) Health Benefit Plan – Available only to SAMBA health plan parent(s) – SAMBA offers an exclusive (non-FEHB) health benefit plan that covers your dependent child when they are too old (at age 22) to be covered under your federal family enrollment. And we believe nobody has better rates and benefits!

Our Health Information Tools – SAMBA offers online availability to a Hospital Quality Assessment tool and a Health Care Cost Estimator. Additionally, at our web site members can view their medical claims and prescription drug purchases, take a personal health assessment, and obtain information about Healthy Rewards discounts on fitness club memberships, the Jenny Craig program, vitamins and supplements, eyewear, smoking cessation programs, and much more.

Our Full Range of "non-FEHB" Plans Available – The SAMBA Federal Employee Benefit Association also offers dental and vision care insurance, group life insurance products, a disability income protection plan, legal services coverage, and much more.

SAMBA was established in 1948 as a not-for-profit employee benefit association. There are no association or membership fees. Anyone enrolled in a SAMBA plan automatically becomes a SAMBA member. SAMBA's goal is to bring you the greatest value in benefits and services. In other words – we work for you, not for profit.

Choose wisely this Open Season – choose the SAMBA Standard Option as your plan in 2009. The SAMBA Health Plan and CIGNA Healthcare – working together to help you feel better about your health plan!

Sincerely,

The SAMBA Health Benefit Plan
