## Important Notice

### Terrorism Coverage Cancellation

Dear Member:

Our records show that you are enrolled in the SAMBA Group Term Life Insurance and/or the Disability Income Protection (DIP) plan.

This notice is to advise that the Terrorism Insurance that has been provided "free of charge" will be discontinued as of January 1, 2009.

Remember to keep your DIP "covered salary" up to date with your salary so that you will not have to meet evidence of insurability to increase your coverage and to prevent being subject to pre-existing conditions. Refer to page 2 of the DIP Summary Plan Description for more information

Our online web services continue to expand. Visit [www.SambaPlans.com](http://www.SambaPlans.com) to download Summary Plan Descriptions for all plans, print the change/update forms to increase your DIP coverage, review your claim history, and much more.

If you have any questions, you may contact us at 1-800-638-6589 or email us at [Insurance@SambaPlans.com](mailto:Insurance@SambaPlans.com).

Sincerely,

Walter E. Wilson  
Executive Director
