2020 SAMBA Dental and Vision Plan

Dear Member,

SAMBA is pleased to inform you that there will be no change to the premium for your Dental and Vision Plan in 2020. In fact, we have not increased the premium since 2012 even though we have improved the Plan's benefits each year.

2020 Dental & Vision Plan Premium		
Type	Biweekly	Monthly
Self Only	\$19.38	\$42.00
Self Plus One	\$38.76	\$84.00
Self & Family	\$58.15	\$126.00

Next year the Annual Maximum under the PPO Option will increase to \$30,000 for In-Network services (previously the maximum was \$5,000).

SAMBA's Dental and Vision Plan continues to offer you:

- **The Freedom to Choose:** You can switch between the DMO and PPO Plan options at any time throughout the year – the choice is always yours.
- **Vision Benefits:** Both the DMO and PPO dental options include coverage for an annual eye exam, along with the purchase of eyeglasses or contact lenses. Use the extensive network of EyeMed Vision Care providers for maximum savings.
- **Extended Child Coverage:** Your children can be covered up to age 26.

Enclosed we have provided you a Summary of Material Modifications (SMM) for the 2020 Plan Year.

As always, we pledge to you our best efforts to deliver the excellent benefits and services you have come to expect from SAMBA.

Sincerely,

Walter E. Wilson
Executive Director
