

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Please read the FEHB Plan brochure (RI 71-015) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at [www.SambaPlans.com](http://www.SambaPlans.com), and view the Glossary at [www.SambaPlans.com/health-benefit-plan/sbc/](http://www.SambaPlans.com/health-benefit-plan/sbc/). Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	<p><u>PPO</u>: \$300 / Self Only; \$600 / Self Plus One or Self and Family</p> <p><u>Non-PPO</u>: \$300 / Self Only; \$600 / Self Plus One or Self and Family</p>	<p>Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<b>Are there services covered before you meet your <u>deductible</u>?</b>	<p>Yes. Prescription drugs, office visits, telehealth, and preventive care you receive from a PPO provider.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost sharing and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<b>Are there other <u>deductibles</u> for specific services?</b>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	<p><u>PPO providers</u>: \$5,000 Self Only; \$10,000 Self Plus One and Self &amp; Family</p> <p><u>Non-PPO providers</u>: \$6,000 Self Only; \$12,000 Self Plus One; \$14,000 Self &amp; Family</p>	<p>The <u>out-of-pocket limit</u>, or catastrophic maximum is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<p><u>Premiums</u>, <u>balance-billed</u> charges, penalties for failure to get prior approval, and expenses this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<b>Will you pay less if you use a <u>network provider</u>?</b>	<p>Yes. See <a href="http://www.SambaPlans.com">www.SambaPlans.com</a> or call 1-800-638-6589 for a list of <u>network providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
