A Legacy of Trust. Benefits for Today.

For more than 75 years, SAMBA has proudly served federal employees, annuitants, and their families. Established by FBI Special Agents as a not-for-profit employee benefit association, SAMBA was founded to provide members access to quality group insurance benefits.

SAMBA has a long and distinguished history in the federal community and was one of the original plans participating in the Federal Employees Health Benefits (FEHB) Program when it launched in 1960. While membership was once limited to employees of the FBI, Secret Service, and other federal law enforcement agencies, SAMBA Plans are now available to all federal employees and annuitants.

Today, SAMBA remains committed to delivering high-quality benefits, exceptional service and value to the federal workforce and retirees nationwide.

SAMBA and Medicare

IF YOU HAVE MEDICARE, SAMBA HAS MULTIPLE OPTIONS FOR YOU TO CONSIDER.

THE UNITEDHEALTHCARE® MEDICARE ADVANTAGE FOR THE SAMBA HEALTH BENEFIT PLAN

Visit retiree.uhc.com/samba
for more information.

If you have both Medicare Parts A and B as your primary coverage, you are eligible to enroll in the UnitedHealthcare® Medicare Advantage (PPO) for the SAMBA Health Benefit Plan.

This plan enhances your SAMBA coverage by reducing or eliminating cost-sharing for services and adding benefits at no additional cost. It also includes a Medicare Part B subsidy of \$100 per month for High Option and \$75 per month for Standard Option.

The UnitedHealthcare® Medicare Advantage (PPO) for the SAMBA Health Benefit Plan delivers all the benefits of Original Medicare (Parts A and B) and includes prescription drug coverage (Part D).

THE EXPRESS SCRIPTS MEDICARE® PDP FOR THE SAMBA HEALTH BENEFIT PLAN

For more information,
visit [express-scripts.com/
medd/samba](https://express-scripts.com/medd/samba).

If you are an annuitant enrolled in Medicare Part A and/or Part B as your primary coverage, you are eligible for enrollment in the Express Scripts Medicare® PDP (Prescription Drug Plan) for the SAMBA Health Benefit Plan.

Through our partnership with Express Scripts, we have designed this plan to provide better benefit coverage than the standard Medicare Part D program. The Express Scripts Medicare® PDP for the SAMBA Health Benefit Plan enhances your SAMBA coverage by reducing the overall cost-sharing for your prescription drug purchases by including lower copays, lower out-of-pocket maximums, enhanced prescription drug coverage, and a broader pharmacy network.

MEDICARE AND YOUR SAMBA HEALTH BENEFIT PLAN

Visit our website at
sambaplans.com for
more information.

If you have Original Medicare Parts A and/or B as your primary coverage and you elect not to enroll in our Medicare Advantage Plan or opt-out of our Medicare Prescription Drug Plan, you will retain your regular coverage in the SAMBA Health Benefit Plan.

Regardless of which SAMBA Plan Option you choose, you will still receive comprehensive benefits. In most cases, SAMBA will waive your calendar year deductible and most copayments and coinsurances, (except prescription drugs), and pay Medicare's deductible and coinsurance for services covered by both Medicare and SAMBA.
