Employee Benevolent Fund

Perhaps the most stressful situation a family endures is the death of a loved one.

Although life insurance helps to take care of the survivors' long-term needs, many weeks or months can pass before payment is made. This is where SAMBA's Employee Benevolent Fund can help.

As an eligible employee of an agency that offers the SAMBA Employee Benevolent Fund, you can guarantee that if you die while employed, your beneficiary(ies) will have immediate cash.

Administered by SAMBA and underwritten by ReliaStar Life Insurance Company*, the Fund pays immediately upon your death.

Notification of your death from your agency is all that SAMBA needs to release payment to your designated beneficiary(ies).

For complete details regarding the Employee Benevolent Fund visit the SAMBA web site at www.SambaPlans.com.

*Underwritten by ReliaStar Life Insurance Company, a member of the Voya™ family of companies.
