Introduction and Plan Highlights

The SAMBA Federal Employee Benefit Association is a not-for-profit association that offers You and our other Members reliable benefit programs. The SAMBA Disability Income Protection Program (the DIP Program or the Program) provides You with a monthly income benefit if You become Disabled in accordance with the Program's definition and meet all other Program provisions. The Program's benefits and provisions of the Program are described in this Summary Plan Description (SPD).

The DIP Program's purpose is to provide:

- **Income Protection Benefit** – After You have been Disabled for sixty (60) consecutive days, You can qualify for monthly benefit payments. Your Monthly Benefit Amount is 65% of one-twelfth of your Covered Salary Amount. It may be reduced as described under the Benefit Offsets provision, but will not be reduced to less than \$200 per month.
- **Survivor Benefit** – In the event of Your death while You are collecting monthly benefit payments, Your spouse or named beneficiary may receive a Survivor Benefit of 50% of Your Monthly Benefit Amount.
- **Residual Benefit** – If You receive monthly income benefits for at least thirty (30) days, You may qualify to receive 35% of Your monthly benefit while returning to Full-time employment on a reduced work schedule as part of a Residual Benefit approved by Us.
- **Hospital Confinement Benefit** – The Program provides a daily Hospital Confinement Benefit if You or Your covered Dependent is Hospital Confined. For each day You or Your spouse are Confined in a Hospital, the Program pays 70% of Your Daily Earnings; 35% of Your Daily Earnings is payable each day if Your Dependent child is Hospital Confined.

You will notice that some of the terms used in this SPD begin with capital letters. These terms have special meanings under the Program. Refer to the "Definitions and Terms You Should Know" section (see page 12) for detailed explanations.

We, Us, and Our means the SAMBA Federal Employee Benefit Association or Our authorized representative. This is true whenever the word "We," "Us," or "Our" is used in this SPD, even when those words are not capitalized.

You, Your, Employee, Member, or Participant means an Employee of a SAMBA Eligible Employing Agency who has enrolled in this Program. This is true whenever the word "You," "Your," "Employee," "Member," or "Participant" is used in this SPD, even when those words are not capitalized.

SCHEDULE OF BENEFITS PAGE

Your Schedule of Benefits Page is provided with this SPD. You will be sent a replacement Schedule of Benefits Page if Your coverage changes. This SPD and all Schedule of Benefits Pages provide important plan information that You should keep for Your records.

SECTION 1 – Enrollment and Eligibility

Applications for coverage are available on Our website located at www.SambaPlans.com or may be requested from Our office by calling (800) 638-6589.

You are eligible to apply for coverage if You are under age 62 and are Actively at Work as a Full-time permanent Employee of a SAMBA Eligible Employing Agency and are covered by either the Federal Employees Retirement System (FERS) or the Civil Service Retirement System (CSRS). The term "SAMBA Eligible Employing Agency" means any branch, department, or agency of the United States Government, including, without limitation, the U.S. Postal Service and the U.S. Courts. Other federal Employees, such as part-time, temporary, or term employees, are not eligible to apply for coverage under the Program.

Once You are approved for coverage Your Dependents are automatically eligible for Hospital Confinement (but not Income Protection) Benefits under the Program. Your Dependents are any of the following: 1) Your lawful spouse; and/or 2) Your unmarried Dependent child(ren) (which includes a stepchild, legally adopted child, child placed in the home for adoption, grandchild in Your legal custody, or a foster child) who is under 22 years of age and not in the military, naval, or air force of any country or international organization. Please include Your eligible Dependents on Your application at time of enrollment and keep Us informed of any change in Your Dependent's status.

A spouse or child covered under the Program as an Employee cannot also be covered as a Dependent. A child can be covered as the Dependent of only one parent.

This coverage is not available if your Regular Place of Work is your home or other residence.

Effective Date of Coverage

Your effective date is shown on Your Schedule of Benefits Page. Your coverage will start on the date determined by Us, subject to approval of an Eligible Person's individual application, satisfactory Evidence of Insurability, and payment of the first premium. The effective date shown on Your Schedule of Benefits page assumes that You are Actively at Work on that date.

If you are not Actively at Work for any reason on the day coverage would otherwise become effective, Your coverage will begin on:

- the first day of the pay period following the date that You return to Actively at Work status at Your Regular Place of Work if You pay the premium through biweekly payroll allotment; or
- the first day that You return to Actively at Work status at Your Regular Place of Work if you pay the premium by an approved method other than biweekly payroll allotment.

You are not Actively at Work if

- You are on any type of excused absence or paid leave of any kind; or
- Your Regular Place of Work is your home or other residence.

Coverage for Your Dependents starts on the same date Your coverage starts. If You add a new Dependent after the date Your coverage starts, the new Dependent's coverage starts on the date he/she meets the definition of a Dependent. However, if on the date a Dependent's coverage would otherwise start, the Dependent is:

- (a) Confined at home or in a Hospital or medical institution;
- (b) receiving any medical care or services;
- (c) on excused absence or paid leave of any kind; or
- (d) not regularly performing the normal activities of a person of like age on the day coverage would otherwise begin;

then coverage for the Dependent will start the day following the day he/she:

- (a) is no longer Confined at home or in a Hospital or medical institution;
- (b) is no longer receiving any medical care or services;
- (c) returns to Active Work at his/her regular place of work, if any; and
- (d) begins regularly performing the normal activities of a person of like age.

For example, a healthy newborn child will be covered after the child is released to go home from the hospital.

Cost of Coverage and Premium Payment

You are responsible for paying the full cost of coverage (or premiums) that We bill You. Premiums must be paid through payroll allotment, electronic fund transfer, or direct bill on the due date specified by us.

We automatically will terminate your coverage if we do not receive your premium payment (following the first payment) within thirty (30) days following the due date specified by us. The coverage termination will be effective as of the premium payment due date that You missed. You will continue to owe us for any unpaid premiums.

We reserve the right to change the premium based primarily on the Program's experience. Should We decide to make a premium adjustment, We will notify You at least thirty (30) days in advance of such adjustment. Notification will be sent by U.S. mail to Your current address on file with Us.

We waive Your premium while you are entitled to Income Protection Benefits from this Program.

Premium Waiver

If You are Disabled, We will waive Your premium payment obligation to this Program following the Elimination Period for as long as Income Protection Benefits continue to be paid.

Salary Changes

After Your initial enrollment in the Program, it is Your responsibility to notify Us in writing of any change in Your Eligible Salary Amount.

Salary Increase: In the event Your salary changes and is increased above Your Covered Salary Amount on file with Us, You may apply for an increase in Your coverage, not to exceed Your new Eligible Salary Amount. Evidence of Insurability will not be required for such increase, and such increase will not be subject to a new Pre-Existing Condition Limitation if: 1) You apply for the increase within ninety (90) days of the effective date of the increase in Eligible Salary Amount; and 2) Your Covered Salary Amount was equal to Your Eligible Salary Amount immediately prior to the increase.

If conditions 1) and 2) above are not both met, You will be required to provide satisfactory Evidence of Insurability for any increase in coverage. A new Pre-Existing Condition Limitation will apply to the increased amount of benefits from the effective date of the change, but will not apply to coverage already in force. *Note: Even if Your request for an increase Covered Salary Amount is not approved by Us, You may still continue coverage at Your current Covered Salary Amount subject to all other provisions of this Program.*

The effective date for any salary increase will be the date specified by Us and the premium is paid. If a change request increases the amount of coverage or adds new benefits, and You are not Actively at Work on the scheduled effective date for the salary change, then:

- if paying the premium through biweekly payroll allotment, coverage for such change will begin the first day of the pay period following the date You return to Actively at Work status at Your Regular Place of Work; or
- if paying the premium through other than biweekly payroll allotment, coverage for such change will begin the first day You return to Actively at Work status at Your Regular Place of Work.

In no event will coverage become effective, nor will any increase in coverage become effective, for any Eligible Person while You are on excused absence or leave (with or without pay) of any kind.

Salary Decrease: In the event Your salary is reduced below Your Covered Salary Amount on file with Us, Your Covered Salary Amount will be adjusted to a lower amount which does not exceed Your reduced Eligible Salary Amount. While You remain Actively at Work on a Full-time basis, Your coverage will remain in force at the lower amount and premiums will be adjusted accordingly. Premium adjustments/refunds will not be made for periods greater than six (6) months. You therefore, should promptly inform Us of any such salary reductions.

Termination of Coverage

Your coverage under this Program will terminate on the earliest of any of the following dates:

- The date the Program terminates;
- The date You cease to make the required premiums;
- The date You enter active military service of any country. For purposes of this coverage, active military service for training purposes of one month or less is not Full-time service;
- The date You are no longer employed by a SAMBA Eligible Employing Agency as a Full-time Employee. You must notify Us immediately in the event that You leave Full-time or any employment with or retire from a SAMBA Eligible Employing Agency;
- The date on which You are no longer Actively at Work. However, coverage may be continued for a period not to exceed ninety (90) days during a SAMBA Eligible Employing Agency-approved period of leave, with or without pay. *Note: If You are terminated due to a period of leave (with or without pay) in excess of ninety (90) days, and You return to Actively at Work status within six (6) months of the date Your leave began, You will not be required to submit new Evidence of Insurability provided that You apply for coverage within thirty (30) days of Your return to Actively at Work status;*
- The next premium due date following the date You request cancellation of coverage. You must make this request to Us in writing. No portion of premiums already paid before the cancellation date that We approve will be refunded.
- Thirty (30) days after Our request for proof of continuing Disability for which You failed to provide requested documentation;
- Failure to reimburse an Overpayment as outlined in the Reimbursement Agreement; or
- The date that Your home or other residence is designated as your Regular Place of Work.

A Dependent's coverage under this Program will terminate on the earliest of any of the following dates:

- The date your coverage terminates;
- The date the Dependent enters active military service of any country. For purposes of this coverage, active military service for training purposes of one month or less will cause the coverage to be suspended for the training period. The coverage will resume at the end of the limited training period;
- The first day of the month following the date Dependents as a class are no longer eligible for Program coverage;
- The date the Dependent no longer meets the definition of Dependent; or
- If the premiums are being waived, twelve (12) months following the date premiums were first waived.

SECTION 2 – Program Benefits

Income Protection Benefit

The Income Protection Benefit provides a Monthly Benefit Amount which begins after the Elimination Period provided You are Disabled in accordance with the Program provisions. The Monthly Benefit Amount will be equal to 65% of one-twelfth of Your Covered Salary Amount, minus any Benefit Offsets.

Qualifying for the Income Protection Benefit

Your coverage must be in force under the Program on the date Disability began and

- You must be Disabled (see page 13 for definition of Disabled) as defined by the Program for the entire Elimination Period and submit satisfactory proof to Us.
- You must, within one year of the date your Disability began, complete and submit an application for Income Protection Benefits, including all required documentation at Your own expense. See “How to File a Claim” on page 10.
- You must provide proof of continuing Disability at Your own expense within thirty (30) days of any request by Us.
- You must identify and apply for all other income benefits for which You may qualify as identified under Benefit Offsets (see page 5).
- You must comply with Our requests to sign and return authorizations for the release of medical, financial, and employment information that We require in order to make a decision on Your Income Protection Benefit claim.
- You must remain under the Regular Care of a Physician.
- You must comply with our right to require that You be examined by a Physician of Our choice, at Our expense, in connection with Your Income Protection Benefit claim.
- You must comply with Our right to request financial, vocational, and other assessments performed by a consultant of Our choice, at Our expense, in connection with Your Income Protection Benefit Claim.

We have the sole discretionary authority to determine eligibility for participation or benefits and to interpret the terms of the Program. All determinations and interpretations made by Us are conclusive and binding on all parties.

Elimination Period

The Elimination Period is sixty (60) continuous days of Disability which must be satisfied before You begin to receive Income Protection Benefits under this Program. The Income Protection Benefit will begin on the first day after the satisfaction of the Elimination Period. A new Elimination Period will be applied to each period of Disability.

Monthly Benefit Amount Calculation

To determine Your Monthly Benefit Amount under the Income Protection Benefit, calculate the dollar amount of: 65% of one-twelfth of Your Covered Salary Amount minus the amount of all Benefit Offsets (see page 5) available to You.

The following shows how the Monthly Benefit Amount is calculated for a Disabled Employee who has a Covered Salary Amount of \$43,000. Example #1 depicts an Employee with no Benefit Offsets under the Program. Example #2 illustrates an Employee who qualifies for a monthly award of \$2,007 from FERS and Social Security (which would be considered a Benefit Offset under the Program).

| Example #1 | | Example #2 | |
|--|--------------------|--|------------------|
| Your Covered Salary Amount Is: | \$43,000.00 | Your Covered Salary Amount Is: | \$43,000.00 |
| multiply by 65% = | \$27,950.00 | multiply by 65% = | \$27,950.00 |
| divide by 12 = | \$ 2,329.17 | divide by 12 = | \$ 2,329.17 |
| minus Benefit Offsets of: | \$ 0.00 | minus Benefit Offsets of: | \$ 2,007.00 |
| Your Monthly Benefit Amount* is equal to: | \$ 2,329.17 | Your Monthly Benefit Amount* is equal to: | \$ 322.17 |

* Your Monthly Benefit Amount will not be adjusted below \$200.

If the Benefit Offsets You receive, for example, retroactive retirement payments under FERS or CSRS, or a retroactive Social Security disability award, result in an Overpayment under the Program, You are obligated to refund any Overpayment to Us as described in the Right to Recovery provision under the Program (see page 11).

Benefit Offsets

Benefit Offsets used to determine Your Monthly Benefit Amount include all of the following:

1. Any amount that You receive or are eligible to receive because of Your Disability:
 - (a) under any Workers' Compensation Law, Occupational Disease Law, or similar law, including amounts for vocational therapy or for Disability whether permanent or temporary;
 - (b) under any State Disability or income benefit law or similar law, or any employment benefit law or similar law;
 - (c) through the Department of Veterans Affairs;
 - (d) under any group disability insurance coverage which pays for the same Disability as the Program.
2. Any amount You receive or are eligible to receive under the Federal Employees Retirement System (FERS), the Civil Service Retirement System (CSRS), the Social Security Act, or any similar pension or retirement plan, excluding amounts received from a Thrift Savings Plan (TSP), an Individual Retirement Account (IRA), or a Tax-Sheltered Annuity (TSA).

Note: If You receive FERS benefits, FERS provides for a recalculation of benefits after the first twelve (12) months of benefits. When this occurs, We will recalculate Your Monthly Benefit Amount to reflect the new FERS benefit. You must provide Us with copies of the correspondence or confirmation from the Office of Personnel Management (OPM) regarding the FERS recalculation in order to receive continuing payment of Income Protection Benefits under the Program.

3. Any amount You receive by compromise, settlement, or other method resulting from a claim for any of the above, whether disputed or undisputed.
4. Any amount You receive:
 - (a) as a result of administrative leave, excused absence, or any other official release from duties without loss of pay (including a leave bank or leave share program) and without charge to Your annual or sick leave;
 - (b) for sick, salary continuance, or severance pay received from Your Employer, after You have been receiving Income Protection Benefits for a period of twelve (12) months for a Disability;
 - (c) under any "no fault" law or insurance policy providing for loss of wages payments without determining fault in connection with automobile accidents, excluding any supplemental Disability benefits purchased by You under a "no fault" auto law.

The amount used for determining the Benefit Offsets will be the gross amount for which You qualify before any taxes, deductions, or other payment reductions. The Monthly Benefit Amount will not be reduced by subsequent cost-of-living increases under any of the benefits payable as described in this Benefit Offsets section.

We will determine the amount of any Benefit Offsets paid in a single sum through compromise settlement or as an advance on future liability as follows: 1) the amount paid will be divided by the number of months for which the settlement or advance was provided; or 2) if the number of months for which the settlement or advance is made is unknown, We will divide the amount of the settlement or advance by the expected remaining number of months of Disability, but in no event to exceed sixty (60) months or the Maximum Benefit Period, whichever comes first.

Estimated Benefit Offsets

We reserve the right to estimate Your Benefit Offsets under the Program until You receive written confirmation of Your actual entitlement under the FERS, CSRS, or Social Security Act. If We estimate Your Benefit Offsets, We will take this estimated amount into account when We determine Your monthly benefit.

We will not take this estimated amount into account for the first twelve (12) months of benefit payments if You sign Our reimbursement agreement. In this agreement, You promise (a) to apply for all of the benefits for which You are eligible, (b) to appeal any denial of such benefits until all possible appeals have been made, and (c) to repay Us in a lump sum for any amount We overpaid due to an award of such benefits.

If We do reduce Your monthly benefit by an estimated amount of Benefit Offsets, We will adjust Your monthly benefit when We receive written proof of (a) the amount awarded or (b) that the other income benefits have been denied and no further appeals are possible. If We underpaid You, We pay the full amount of the underpayment in a lump sum.

Duration of Income Protection Benefit

Income Protection Benefits will continue to be payable until the earliest of the following:

- The date You are no longer Disabled;
- The date You fail to provide satisfactory proof of continuing Disability;
- The date the Maximum Benefit Period (see page 13 for Definition) has been reached;
- The date that You are able to work in Your Regular Occupation, with or without accommodation, on a Full-time or part-time basis and You choose not to do so;
- The date that You have been outside the United States and/or Canada for more than two months in a twelve (12) month period;
- The date You are able to perform the major duties of any gainful work with reasonable accommodation following the Regular Occupation period;
- The date that You fail to cooperate or to participate in a Residual Disability Plan approved by Us;
- The date You refuse any Physician's examination or other assessment that We require;
- The date on which We determine that you have failed to comply with Your obligation to refund an Overpayment or comply with the terms of a Reimbursement Agreement with Us; or
- The date You die.

Residual Benefit

The Residual Benefit provides a benefit equal to 35% of the Monthly Benefit Amount that You were entitled to receive immediately prior to Your return to work when:

- You have been receiving the Income Protection Benefit for at least thirty (30) days;
- You are released by Your Physician to return to work under a reduced work schedule; and
- We approve Your Residual Disability Plan (in writing) which must begin immediately following a period of Disability for which benefits are being paid.

The Residual Benefit will continue to be payable until the earliest of the following:

- You fail to provide satisfactory proof of continuing Residual Disability;
- You have been receiving benefits for a period of ninety (90) days or for the maximum period;
- You return to Full-time work; or
- You die.

Recurrent Disability

Under the Program, any Disability commencing after You have received benefits for a prior Disability will be considered a continuation of the prior Disability unless:

- The periods of Disability are separated by at least one hundred and eighty (180) consecutive days during which You returned to Full-time Active Work; or
- The periods of Disability are due to unrelated causes and are separated by an interval during which You returned to Full-time Active Work.

The new period of Disability is subject to a new Elimination Period and a new Maximum Benefit Period.

Survivor Benefit

A Survivor Benefit is available if (a) You die while receiving Income Protection Benefits (but not Residual Benefits) under the Program and (b) Your death was caused by or related to the Disability diagnosis for which You were receiving Income Protection Benefits.

The Survivor Benefit is equal to 50% of the Monthly Benefit Amount that You were entitled to receive at the time of death payable monthly to Your legal spouse, or if You are unmarried, to Your Named Beneficiary for the Survivor Benefit Period. For purposes of this Survivor Benefit, Named Beneficiary means the person or entity named in Our records to receive the Survivor Benefit at Your death if there is no surviving legal spouse. If a Survivor Benefit is available and You do not have a legal spouse or a Named Beneficiary, We will pay Your estate the present value of the payments that would have become due during the Survivor Benefit Period.

The Survivor Benefit Period begins on the first day of the month following the month You die and ends on the earliest of the following events:

- The date on which We determine that Your Income Protection Benefits would have terminated if you had continued to live, e.g., due to an Income Protection Benefit period limitation (see page 8); or
- The date on which the Survivor Benefit has been paid for ten (10) years.

If the Survivor dies, we will issue a lump sum payment to the estate of the Survivor for the present value of the payments that would have become due during the remainder of the Survivor Benefit Period.

Hospital Confinement Benefit

The Hospital Confinement Benefit provides a daily benefit if You or Your Dependent is Hospital Confined. We will pay the daily Hospital Confinement Benefit shown below if You or Your Dependent is Hospital Confined in accordance with the Program provisions, and such Confinement:

- Is Medically Necessary for the treatment of a covered Injury, Sickness, or Mental or Nervous Disorder;
- Is under the Regular Care of a Physician; and
- Begins while Coverage under this Program is in force.

The daily Hospital Confinement Benefit is:

- For You 70% of Your Daily Earnings
- For Your spouse 70% of Your Daily Earnings
- For Your Dependent children 35% of Your Daily Earnings

Hospital Confined means that the Hospital has charged a full day’s room and board for You or Your Dependent’s Care. Benefits will begin on the first day of Hospital Confinement and will continue up to a maximum of sixty (60) days for any one covered Injury, Sickness, or Mental or Nervous Disorder.

Successive periods of Hospital Confinements due to the same or related causes will be considered one Injury, Sickness, or Mental or Nervous Disorder, unless separated by at least one hundred and eighty (180) days with no Hospital Confinements.

The following shows how the daily benefit is calculated for an Employee who has a Covered Salary Amount of \$43,000. Example #1 depicts the benefit payable if You (or Your spouse) are Hospital Confined for three (3) days. Example #2 illustrates the benefit payable if Your Dependent child is Hospital Confined for three (3) days.

| Example #1 | | | Example #2 | |
|--|------------------|--|--|------------------|
| Your Covered Salary Amount Is: | \$43,000.00 | | Your Covered Salary Amount Is: | \$43,000.00 |
| divide by 360 | / 360 | | divide by 360 | / 360 |
| Equals Daily Earnings of: | \$ 119.44 | | Equals Daily Earnings of: | \$ 119.44 |
| You are Hospital Confined for 3 days (multiply by 3) = | x 3 | | You are Hospital Confined for 3 days (multiply by 3) = | x 3 |
| | \$ 358.32 | | | \$ 358.32 |
| multiply by 70% = | x 70% | | multiply by 35% = | x 35% |
| Benefit Payable is equal to: | \$ 250.82 | | Benefit Payable is equal to: | \$ 125.41 |

Limitations

The following limitations listed in this section apply to all benefits under this Program:

1. The specific reason or reasons for denials;
2. Specific reference to pertinent provisions of the Program upon which the decision is based;
3. A description of any additional material or information needed to perfect the claim and an explanation of why it is necessary; and
4. An explanation of the Program's claim review procedure.

Appeal Procedures

You are entitled to a full and fair review of denial of a claim. You may make a request for review to Us. The procedure is as follows:

1. The request for review must be in writing and made within one hundred and eighty (180) days of receipt of written notice of denial;
2. You have the right to review, upon request and free of charge, copies of all documents, records, and other information relevant to Your claim for benefits. You have the right to review copies of any internal rule, guideline, protocol, or other similar criterion that was relied upon in making Our decision to deny Your claim. You have the right to submit issues and comments in writing, along with additional documents, records, and other information relating to Your claim for benefits;
3. We or an authorized representative will review Your request;

4. We will make a decision upon review within forty-five (45) days after receipt of the request unless special circumstances require an extension of time for processing, in which case the time limit shall not be later than ninety (90) days after receipt. The decision or review will be in writing, include the specific reasons for the decision and specific references to the pertinent Program provisions on which the decision is based, and be furnished directly to You.

Authorized Representative

We will recognize as Your authorized representative for claim and appeal purposes any person (such as a spouse, adult child, or attorney) whom You authorize in writing to act on Your behalf.

Payments of Benefits

If You become Disabled while covered under this Program, You will be paid a Monthly Benefit Amount for each month (following the Elimination Period) as long as You are Disabled, subject to all the provisions of this Program. Monthly benefits will be paid to You for each full or partial month that You remain Disabled due to Injury or Sickness after the Elimination Period, until the Maximum Benefit Period ends. For a period of Disability that lasts less than a full month, benefits will be pro-rated at a daily rate equal to 1/30 of the Monthly Benefit Amount.

Only one Monthly Benefit Amount will be paid during any full month of Disability, even if Disability is caused by or results from more than one Injury, Sickness, or Nervous or Mental Disorders.

To continue to receive Income Protection Benefits, you must give us current proof of loss as often as We may reasonably require. Ongoing proof of loss must be provided to us within thirty (30) days of Our request to You.

All benefits, except the Survivor Benefit, will be payable to You. Any benefits payable on or after Your death will be paid to Your estate. If the benefits are payable to Your estate, We may pay up to \$5,000 to any relative by blood or marriage whom We deem is entitled to the benefits. Any payment We make in good faith under this provision fully discharges Us to the extent of that payment. The Survivor Benefit is payable as explained in the Survivor Benefit (see page 7) section.

Right to Recovery

We have the right to recover from you any amount which We determine to be an Overpayment. If You or Your Dependents receive any erroneous benefit Overpayments from the Program, You and Your Dependents shall repay those amounts to the Program in a lump sum. We may apply subsequent benefits otherwise payable to recoup any erroneous benefit Overpayments. Income Protection Benefits will be terminated if You fail to comply with this obligation. If We are required to take collection action, then You and Your Dependents shall be liable for all collection costs, including interest on the Overpayment, attorney's fees, and court costs.

You should be aware that persons who submit fraudulent or misleading claims to Us in connection with Program benefits, for example, provide misleading information of any type or false information or other fraudulent representations, are subject under federal law (29 U.S.C. § 1131) to a criminal penalty of one (1) year imprisonment and/or a \$5,000 fine. We also reserve the right to suspend or terminate any such person's participation in the Plan and to take any other appropriate measure.

Misstatement of Age or Health Status

If Your age has been misstated, We will make an equitable adjustment of premiums or benefits or both. We will change the benefit to the applicable amount available for the correct age. We will refund to You any excess premium paid over the amount due for the correct benefit amount. We will request payment for any overdue premium for the correct benefit amount. If the misstatement is discovered after a benefit is due and payable, We will reduce or increase the benefit amount payable by the amount of excess or overdue premiums paid on and after the date the Member was no longer eligible.

If Your health status has been misstated, We reserve the right to retroactively terminate the coverage if under our underwriting policies, we would not have issued the coverage if we had known the true state of Your health status. We further reserve the alternative right to condition future coverage on Your submission of an updated health status and related medical records within thirty (30) days after our request.

Clerical Errors

Clerical errors or delays in keeping records for the Program will not deny benefits that would otherwise have been granted, nor extend benefits that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Premium Adjustment Limitation

In no event will Our premium adjustments and refunds to You for any reason be made for periods greater than one hundred and eighty (180) days.

Your Rights Under ERISA

As a Participant in this Program You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Program Participants are entitled to:

Examine, without charge, at SAMBA's office and at other specified locations, such as work sites, all Plan documents, including Insurance contracts, and copies of all documents filed by the Plan with the U. S. Department of Labor, such as annual reports and Plan descriptions. This examination may take place between the hours of 10:00 a.m. and 3:00 p.m., Monday through Friday, except holidays.

- Obtain copies of all Plan documents and other Plan information upon written request to SAMBA's Executive Director, who may request a reasonable charge for the copies.
- Receive a summary of the Plan's annual financial report. SAMBA is required by law to furnish, upon request, each Participant with a copy of this summary annual report.

In addition to creating rights for plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the Employee benefit plan. The people who operate Your Plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of You and other plan Participants and beneficiaries. No one, including an employer, SAMBA, or any other person, may discriminate against You in any way to prevent You from obtaining a benefit or exercising Your rights under ERISA.

If Your claim for a benefit is denied in whole or in part You must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider Your claim (see above). Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request materials from the Plan and do not receive them within thirty (30) days, You may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay You up to \$110 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.

If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or federal court. If the plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a federal court. The court will decide who should pay court costs and legal fees. If You are successful the court may order the person You have sued to pay these costs and fees. If You lose, the court may order You to pay these costs and fees, for example, if it finds Your claim is frivolous.

If You have any questions about Your Plan, You should contact SAMBA's office. If You have any questions about this statement or about Your rights under ERISA, You should contact the nearest Area Office of Employee Benefits Security Administration, U.S. Department of Labor.
