**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities, or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumer's care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

(please turn to back of page)

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by the Guaranty Association if –

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member insurer of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does **not** provide coverage for –

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employer's plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to pay out: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in disability insurance benefits, \$100,000 in present value of annuities, or \$300,000 in life insurance death benefits - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages.

FLORIDA RESIDENTS:

The benefits of the policy providing your coverage are governed primarily by the Law of a state other than Florida.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited under Utah law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

ReliaStar Life Insurance Company
Minneapolis, MN 55401

This Group Contract underwritten by ReliaStar Life Insurance Company provides insured benefits under SAMBA's ERISA plan(s). For all purposes of this Group Contract, SAMBA acts on its own behalf or as an agent of its members. Under no circumstances will SAMBA be deemed the agent of ReliaStar Insurance Company, absent a written authorization of such status executed between the SAMBA and ReliaStar Insurance Company. Nothing in these documents shall, of themselves, be deemed to be such written execution.

ReliaStar Life Insurance Company as Claims Administrator has the sole discretion to interpret the terms of the Group Contract, to make factual findings, and to determine eligibility for benefits. The decision of the Claims Administrator shall not be overturned unless arbitrary and capricious.

Loss of Benefits

You must continue to be a member of the class to which this plan pertains and continue to make any of the contributions agreed to when you enroll. Failure to do so may result in partial or total loss of your benefits. It is intended that this plan will be continued for an indefinite period of time. But, SAMBA reserves the right to change or terminate the plan. This booklet describes your rights upon termination of the plan.

Claim Procedures

1. Determination of Benefits

ReliaStar Life Insurance Company shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by ReliaStar Life Insurance Company will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from ReliaStar Life Insurance Company of your denial. The notice will be written in a manner calculated to be understood by you and shall include:

- (a) the specific reason(s) for the denial,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a description of ReliaStar Life Insurance Company's appeals procedures and applicable time limits, including a statement of your right to bring a civil action under section 502(a) of ERISA following your appeals, and
- (e) if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon request.

2. Appeals of Adverse Determination

If your claim for benefits is denied or if you do not receive a response to your claim within the appropriate time frame (in which case the claim for benefits is deemed to have been denied), you or your representative may appeal your denied claim in writing to ReliaStar Life Insurance Company within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by ReliaStar Life Insurance Company, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

ReliaStar Life Insurance Company shall make a determination on your claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if ReliaStar Life Insurance Company determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that ReliaStar Life Insurance Company expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

If the claim on appeal is denied in whole or in part, you will receive a written notification from ReliaStar Life Insurance Company of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include:

- (a) the specific reason(s) for the adverse determination,
- (b) references to the specific plan provisions on which the determination was based,
- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of ReliaStar Life Insurance Company's review procedures and applicable time limits,
- (e) a statement that you have the right to obtain upon request and free of charge, a copy of internal rules or guidelines relied upon in making this determination, and
- (f) a statement describing any appeals procedures offered by the plan, and your right to bring a civil suit under ERISA.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied or if you do not receive a response to your appeal within the appropriate time frame (in which case the appeal is deemed to have been denied), you or your representative may make a second, voluntary appeal of your denial in writing to ReliaStar Life Insurance Company within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon

your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

ReliaStar Life Insurance Company shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if ReliaStar Life Insurance Company determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which ReliaStar Life Insurance Company expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the date on which you respond to the request for additional information.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from ReliaStar Life Insurance Company of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

Rights and Protections

As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including SAMBA, your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
